Watercolours

Magda's classes offer the opportunity to learn how to successfully paint using watercolours supported by other techniques and media such as pen, ink or guache.

Her classes cover the most informative content and offer learning and art creation in a friendly and encouraging environment.

The classes are for all levels, teaching practical skills in brush work, paint mixing and use of tonal values. Magda's guidance will help you to use the paintbrush with confidence to start creating your own lovely paintings. Each class will include a short painting demonstration, practical instruction and advice.

Introduction to Drawing

Magda's introduction to drawing classes offers the most informative content in a friendly and encouraging atmosphere. The classes are suitable for those who are new to sketching in pencil and for those who want to improve their basic drawing skills. So, come along and have fun!

In this short course you will learn about drawing materials, basic rendering styles, applying proportions and perspective principles the correct way and how to combine 'constructive' drawing with outline drawing.

Drawing subjects (botanical, animal, still-life) will be provided.
Each class will include practical instruction and advice from Magda.
