Commencing 2nd week of the term

7 weeks

Kenmore State School Tennis Courts

\$120 * \$20 discount for prompt payments

We run two tennis lessons each week with small groups of primary school aged children. These lessons are fun and social while teaching essential eye ball coordination and the basics of tennis. Your child won't need to purchase their own racket for the class - there are spare ones available from the coach.

As classes can book up quickly we request that before paying you **please contact Marlene Guse 0439 535 034** to select which of the days suit best or to enquire about future lessons

Please note that * **the \$20 discount applies to early payments**
